The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of financial control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the council meets these responsibilities.
- 1.2 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the council.
