1.0 DESIGNATION OF PLAN AREA:

DM/JC conveyed to Group results of meeting with Tom Evans, 7th Jan at Westfields, and his subsequent e-mail of 10th Jan. Still some disquiet at autocratic stance being taken by Cheshire East but agreed DM to refer to Helen Metcalf and JC Rhoda Bailey for observations before jointly deciding whether to accept TE's offer to put before SPB on 5th February - notification required prior to 27th Jan.

2. QUESTIONNAIRES:

Questionnaires still being recovered from various collection points but indications are upwards of 72 responses presently to hand.

JC to check any remaining with Charlie P, Parish Clerk, at tomorrow night's Parish Council Meeting and SB to check none remaining at Egerton Arms/Glebe Farm.

AR had already begun analysing results, draft of which was reviewed at meeting.

One readily obvious result was the almost complete absence of responses from the 11-34 age group.

Agreed consider reissuing Questionnaire with next Parish Newsletter specifically requesting observations from younger residents since the returns need to be representative of the total age group of the Parish Residents.

3. ADDITIONAL SUPPORT:

SP indicated Ursula Leydecker confirmed willing to act as centre for data collection and filing into a rational and accessible matrix. JC to e-mail direct to Ursula copies of all Minutes of Meetings to date.

4. MINUTE SECRETARY:

Judith C agreed to take on the role of Minute Secretary for subsequent meetings. Agreed members draft out a formal Agenda to be used at all further meetings as process and data build-up accrues.

5. DEMOGRAPHICS:

SB indicated relevant dearth of up-to-date information on Parish Residents - NS indicated would endeavour to research and assist.

6. NEXT MEETING: 25th February at Horseshoe Inn - 7.30pm

DISTRIBUTION: By e-mail to all Members.
