**Subject:** Re Astbury Parish NP

Comment only,

I would like to comment on the transport and communications page. The comment concerning faster broadband by 2015 in my opinion should be changed as most rural properties in the Parish do not have sufficient broadband speed or any broadband on many occasions, and we are now in 2016.

I would like to support the Plan as clear and robust.

Councillor H B Brough  
Rep Mr & Mrs EB Sutton of Astbury cum Moreton Parish.
